IREM Acquires New Contracts

Investment Real Estate Management, LLC, York, PA acquired management contracts for Ample Storage in Woolwich, NJ and Greenbrier Self Storage in Chesapeake, VA.

Ample Storage was built in 2008 and has 178 climate controlled and non-climate controlled units, with 25,425 NRSF. Ample's amenities include a large range of sizes, packing and shipping supplies, and outside parking. Ample prides itself on being a friendly "Neighborhood Storage Solution."

IREM was also awarded Greenbrier Self Storage in Chesapeake, VA. Greenbrier opened in 1997 and has 487 climate controlled and non-climate controlled units, with 60,350 NRSF. Greenbrier offers a resident manager, state-of-the-art security, packing and shipping supplies, a convenient location and office hours seven days a week.

Investment Real Estate Management, LLC, provides third-party self storage management to over 40 self storage facilities in six states. The Investment Real Estate Group of Companies provides self storage brokerage, construction, consulting and management services to owners and investors in the Mid-Atlantic and Northeastern United States.
