Grand Opening of New Facility in New Jersey

AR&C Self Storage, located in Hamilton, NJ, opened its state-of-the-art 67,808 SF three-story climate controlled facility. This unique facility has expansive windows from ceiling to floor to showcase the roll-up self storage doors in the building and was opened with two of three floors built out. Upon completion AR&C will house 635 units. Additionally, drive-up units are accessible around the perimeter of the first floor. This facility sits in a prime Hamilton, NJ location right along Route 130 adjacent to a Home Depot. Investment Real Estate Management is managing the operations and marketing of the store.

IREM currently manages over 45 self storage properties for third-parties in six states. The Investment Real Estate Group of Companies, based in York, PA, provides self storage brokerage, construction, management and consulting services to owners and investors in the Mid-Atlantic and Northeastern United States.
