IREM Adds New Management Contract

Riverline Self Storage in Cinnaminson, NJ, awarded Investment Real Estate Management, based out of York, PA, the management contract for their facility. IREM originally managed the start-up of the facility when it opened in 2005. This facility is a two-story climate-controlled building with 242 units, with additional room for expansion.

IREM currently manages over 45 self storage properties for third parties in six states. The Investment Real Estate Group of Companies provides self storage brokerage, construction, management and consulting services to owners and investors in the Mid-Atlantic and Northeastern United States.
