New Facility Opens in New Jersey

Princeton Self Storage opened for business in mid December 2009 in Princeton, NJ, as announced by Alyssa Quill, Vice President. Investment Real Estate Management was awarded the contract for the facility and will run the daily operations. This facility had been under development for several years and is the only self storage facility in Princeton. The first phase has 304 units with 35,875 NRSF and a great mixture of climate controlled interior units and non-climate exterior units. There are 35 additional RV parking spaces, as well.

IREM currently manages over 45 self storage properties for third parties in six states. The Investment Real Estate Group of Companies provides self storage brokerage, construction, management and consulting services to owners and investors in the Mid-Atlantic and Northeastern United States.
